

YOUR GUIDE TO GOOGLE EBOOKS

READING GOOGLE EBOOKS ON YOUR NOOK

1. Download **Adobe Digital Editions** - adobe.com/products/digitaleditions - and install. You will be asked to create an Adobe account
2. Visit our website to purchase your Google eBooks. After purchasing, go to the **My Account** page, and select the **My eBooks** tab. You'll see all your eBook purchases.
3. Find the eBook you want to read on your Nook, and **download** the Adobe Digital Editions version.

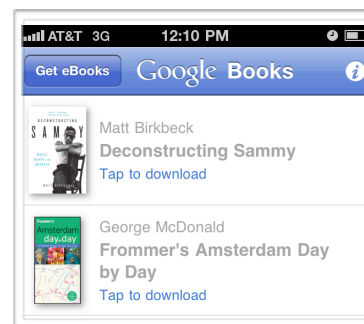

4. Double-click the file. It will open into the Adobe Digital Editions program. The eBook will appear on your **Purchased** bookshelf, and under **All Items**.
5. Plug your Nook into your computer. Adobe Digital Editions will automatically detect your Nook, showing the reader under the **Bookshelves** list.
6. Select the eBook you purchased and drag the eBook icon to the **Nook icon**. Now your eBook is ready to be read on your Nook.

NOTE: Google eBooks synced to the **Nook Color** will appear in the **My Files** section of the Library.

READING GOOGLE EBOOKS ON IPHONE, IPAD OR ANDROID

1. Visit our website to purchase your Google eBooks.
2. Download the **Google Books** app from the App Store or Marketplace onto your device.
3. Sign in to your **Google Account** (e.g., a Gmail address).
4. Your account will **automatically sync** your purchases from our website with the Google eBooks app.

READING GOOGLE EBOOKS ON YOUR COMPUTER

1. Visit our website to purchase your Google eBooks.
2. After purchasing, go to the **My Account** page and select the **My eBooks** tab.
3. Click the **Read** link next to the book you'd like to read. The book will open in Google's web reader.
